MEMORANDUM OF INTERVIEW

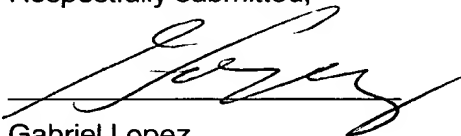

Sir:

This is a memorandum of a telephonic interview with Examiner Saeed on March 15, 2005.

The Examiner asked if applicants had filed a response to the Office Action dated September 9, 2004. He was advised that a timely response had been file *via* facsimile on December 2, 2004. Attached is a copy of said response and a copy of the machine-generated Transmission Confirmation Report, which indicates that the transmission was received.

It is requested that the amendment be entered and that the case be passed to issue.

Respectfully submitted,

REPLY AND AMENDMENT

Sir:

This is in response to an Office Action dated September 9, 2004.

Cancel claims 66-90 without prejudice to applicants' rights thereto and add claims 91-115.

The claims appear on pages 2-5.

Claims 66-76 are rejected under 35 USC 112 as non-enabled because of the recitation therein of esters and amides. The rejection is traversed. Nevertheless, the re-drafted claims do not recite these terms.

Claims 77-90 are withdrawn from consideration. The subject matter of withdrawn claims 77-90 has not been canceled. These claims have been re-drafted as claims 102-115. It is requested that the claims, which are limited in scope to the allowable compounds, be rejoined in view of the Examiner's comments on page 4 of the Action dated March 9, 2004 and MPEP 821.04.

It is requested that the amendment be entered and that the case be passed to issue.

Respectfully submitted,

Gabriel Lopez
